

Shipping Information

Order Status

After you've placed your order, we will email you your order confirmation. Once we are ready to ship your delicious treats, you'll get another email letting you know they are on their way. If you encounter any issues, feel free to contact us at orders@christtine.com or call us at (914) 293-0177. We'll get back to you right away and make sure things are running smoothly again.

Shipping

Every order is hand packed and shipped via UPS Ground from our bakery in Buchanan, NY. Orders are usually sent out within two business days.

Warning: Chocolate Melts

Because the summer months bring sweltering heat, and due to the low melting temperature of chocolate, we do not ship our Organic Chocolate Alfajores or any of our Organic Bon-Bons from June-August. However, we do offer our Dulce de Leche and Maizena Alfajores during these months! To purchase any of our chocolate products, visit your nearest Christine Organic Confections distributor.

Local Catering

Alfajores raise your event to the next level. Be it a party, an office meeting, or a low-key get-together, our Alfajores will always be a hit. Contact us to inquire about catering options.

Shipping Policy and Pricing

Orders will be delivered 1-3 days after being shipped, depending on your location. Christine offers UPS ground shipping at a flat rate of \$7.99 to the 48 contiguous states (which does not include Hawaii, Alaska, or any US territories).

Christtine does not ship orders on Fridays during the summer months.
